RECEIVED

The Honorable
Harry S. Truman
The President of the United States
The White House
Washington, D. C.

Dear Mr. President:

I hope that you will follow your own impulses and veto the McCarran-Walter bill when it comes before you for action.

The people, particularly in New York, are very much aroused about this vicious anti-democratic bill; and are placing their trust in you as usual. I know you will not fail them.

I believe you will agree that the only course you can consistently follow is to veto this bill and thus continue your record of opposition to measures which would restrict the liberties and opportunities of the American people.

With kind personal regards, I am

Respectfully yours,

Arthur G. Klein
