July 9, 1952

My dear Bishop Sherrill:

Please accept the President's thanks for your message commending his action in vetoing the McCarran-Walters Bill. In his message returning the Immigration and Nationality Act to the House of Representatives without his approval, he stated his conviction that the bill was a step backward in the immigration and naturalization policy of our country. Unfortunately this action by the President failed by two votes of being sustained in the Senate.

With the thought that you might like to have a copy of the President's veto message for your ready reference, I am taking the liberty of sending you a copy herewith.

Very sincerely yours,

WILLIAM D. HASSETT
Secretary to the President

Right Reverend Henry K. Sherrill,
