Veto

Pres

U

July 8, 1952

My dear Mr. Rosenwald:

Please accept the President's thanks for your letter commending his action in vetoing the McCarran-Walters Bill. In his message returning the Immigration and Nationality Act to the House of Representatives without his approval, he stated his conviction that the bill was a step backward in the immigration and naturalization policy of our country. Unfortunately this action by the President failed by two votes of being sustained in the Senate.

With the thought that you might like to have a copy of the President's veto message for your ready reference, I am taking the liberty of sending you a copy herewith.

Very sincerely yours,

WILLIAM D. HASSETT  
Secretary to the President

My dear President Truman:

Upon reading that you have vetoed the McCarran-Walter bill I have wired Senator Thomas C. Hennings, Jr., Senator James P. Kem, Representative Richard Bolling and Representative Leonard Irving asking them to sustain your veto.

The board of directors of United Jewish Social Services of Kansas City after study of the bill believes that it does not embody the principles of American freedom and democracy. Please accept our congratulations for your veto and your cogent reasons for so doing.

Respectfully yours,

*Robert E. Rosenwald*
