

DEPARTMENT OF AGRICULTURE
WASHINGTON

March 14, 1935.

Hon. Harry S. Truman,
United States Senate.

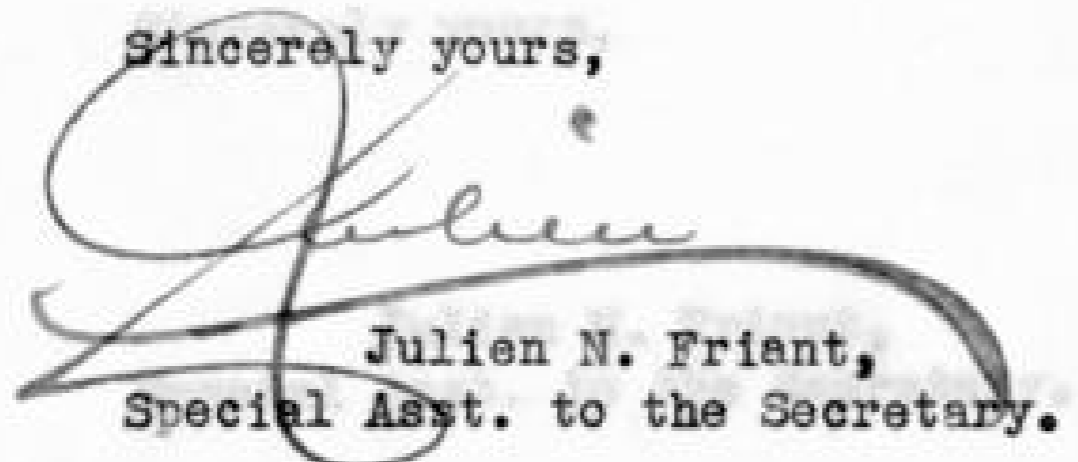

Dear Senator Truman:

A short time ago you sent Miss Alice Braithwaite to us with a request that we assist you in securing a position for her in the Agricultural Adjustment Administration.

I am pleased to advise that we have been successful in placing her in the position of Junior Clerk at a salary of \$1,440 per annum.

Because of your interest in Miss Braithwaite, it was a pleasure for us to do this.

Sincerely yours,

Julien N. Friant,
Special Asst. to the Secretary.
