PARAPHRASE NOT REQUIRED

FROM: CINCPAC TOKYO JAPAN GEN MACARTHUR

TO: DEPT OF WASH DC FOR JCS

MR: C 64159 23 SEP 50

Reference your JCS 92359.

I do not know precisely to whom your message refers but I have no plans whatsoever except scrupulously to implement the directives which I have received. These directives envision support of the resolutions of the United Nations Security Council of 25 and 27 of June calling upon member governments to furnish "such assistance to the Republic of Korea as may be necessary to repel the armed attack and to restore international peace and security in the area" (JCS 84661). In view of the fact that the existing government of the Republic has never ceased to function and the position of the United States as stated in msg 85117 of 7 July "Government of Republic of Korea is recognized by United States as responsible governing authority and only lawful government in Korea and is only Korean Government whose legality has been recognized by UN. Authority of government will be respected...", with the concurrence of the American Ambassador I plan to return President Rhee, his cabinet, senior members of the legislature, the United Nations Commission and perhaps others of similar official category to domicile in Seoul as soon as conditions are sufficiently stable to permit reasonable security. This of course involves no reestablishment of the existing government to its constitutional seat in order to facilitate the resumption of the civil process and to promote the prompt and effective restoration of law and order in areas liberated from enemy control.

Such action is not only very much desired by the American Ambassador and all others concerned but appears to be implicit in my directives. If this is not desired by you I shall inform me without delay.
