June 30 50

Frank Pace called at 5:45. He was already up and about. Said that Hillen created two divisions of ground troops. Authorized a regiment to be used in addition to the authorizations of yesterday, to be used atMac's discretion.

Was briefed by Col. Covert at seven o'clock. Called Pace and Louis Johnson and told them to consider giving the 8th the two divisions he asked for.
and also to consider the
inhabitants of the two
divisions offered by the Chinese
Nationalist Government. That
7principles is still recognized as the
permanence of the other of the
Security Council. Since
Britain, Australia, Canada and
the Netherlands have come in with
ships and planes, we probably should
rise the Chinese ground forces.
What will that do to Australia? We don't know. Must be careful
not to cause a general Asiatic
war. Russia is figuring on an
attack in the Black Sea and toward the Persian Gulf. Both
powers Moscow has treated some
down the terrible who is now
their hero with Stalin's Leica.
